### Educational achievements of the students - the result of professional activity and skills of the teachers

Our talented mathematicians continue the victorious tradition of Khmelnytskyi Polytechnic students: on May 29, in the prestigious educational center of Sivershchyna - Chernihiv National Technological University, the X All-Ukrainian Olympiad on Mathematics among students of higher education establishments preparing junior specialists, a student receives a bronze medal. PI-182 Andriy Rozhon (teachers: Studnytska Liudmyla Mikhaailivna and Zhelavska Iryna Anatoliivna). Andrii is one of the 15 representatives of the new generation of students of Khmelnytskyi Polytechnic College by Lviv Polytechnic National University, who became winners and prize-winners of the regional stage of the Olympiads on general subjects of 2019, once again providing a convincing team victory to our educational institution.

For several years now, polytechnical students have shown success in other interregional and national competitions. Thus, Maksym Nester (GRP-152) won the victory in the II stage of the open regional Olympiad on Engineering and Computer Graphics (section «Design-projects»), which took place at Kherson Polytechnic College of Odessa National Polytechnic University.

A student of PI-171 group Kostiantyn Storozhuk became the silver medalist of the 1st stage of the All-Ukrainian Student Olympiad on the speciality «Computer Science» in Lviv Polytechnic National University, performing perfectly all the tasks, but giving way to

the winner - a representative of Lviv Polytechnic National University - Diana Hunchak performed well at the All-Ukrainian Olympiad on Informatics (Gameplay PI-162), who won the honorable 4th place among 24 participants.

A large number of Khmelnytskyi Polytechnical students became the winners and prize-winners of the videoclips contest this year, which was held by the Marketing Department of the Ternopil National Economic University.

Now our students gr. PR-152 - Oleksandr Kot and Vladyslav Martyshevskiy, having shown high results at the qualifying stages, received an invitation to the Final of the International Student Olympiad in the field of information technology «IT-Universe-2019», which will be held in June in Kyiv.

Congratulations to students of the Department of Economics and Management of Khmelnytskyi Polytechnic College of Lviv Polytechnic National University Oleksii Mandryk and Nazar Bretsko on the victory in the nomination «Best Actor's Performance» in the Student Video Competition on «Financial Literacy» conducted by the Fund for the Guaranteeing of Individual Deposits in the framework of the World Celebration Money Week in Ukraine -2019.

In the creation of competitive video work the guys were assisted by their friends-groupmates Bohdan Devanshu and Denys Stafurskyi. Representatives of 44 higher educational institutions from all regions of Ukraine took part in the contest this year. Our college was represented by Oleksii Mandryk, Nazar Bretsko, Bohdan Devanshu, Denys Stafurskyi (EK-161), Ivan Veriovin, and Davyd Ivantsiuk (MH-171).

### Correspondence college training starts in winter !!!

This year's admission campaign announced about

additional enrolment for studying, which is a convincing proof of a steady upward trend in student collective and, as a consequence, the prospects of the college development in the structure of Lviv Polytechnic National University.

The training at the institution takes place on

the innovative material and technical base of the college with the use of the latest methods and up-to-date technologies in production laboratories, training complexes, the possibility of passing educational practices in modern firms, enterprises with further employment.

## Practical study role in the training of junior specialists

Even at the beginning of a new era, Roman speaker and theorist Mark Fabius Quintilian said that practice without the theory was more valuable than theory without practice.

For carrying out practical training there are 4 educational and production workshops, 14 laboratories, equipped with necessary equipment at the college.

Practitioners

Toropov Y.Y., Koifman A.M., Yatsyshyn Y.V., Sikorskyi A.A. undertook internships at the enterprises with modern equipment to improve their professional skills.

In order to improve the college material facilities, computer hardware and software was updated. Under the guidance of teachers Nyzhnyk O.M., Yaremchuk A.A., Hetman B.I., of lab technicians Skopin B.V., Dovhaliuk M.O. test benches for diagnostics of cars, test benches for study of pulse power supplies and tablet scanners have been developed, reconstruction of the CNC machine has been carried out. The practice at the enterprises, organizations, and the establishment of fruitful relationships with employers facilitated the improvement of students' knowledge. Often the practice place becomes a place for the future job. Among the leading bases of practice can be noted: LLC «Aquasoft», Public Company «Ukrelektroaparat», «Zavod Hidroarmatury», LLC «Sirius-Extrusion», Public Company «Khmelnitynchyna-Avto», «Krasylivskiy ahrehatnyi zavod».

The long-term work of the entire pedagogical staff increases the interest of students to study, improves the quality of their knowledge, solving the ultimate goal of forming a highly skilled specialist.

## Sports games of Ukraine among college and technical schools students of Rapid and Blitz chess tournament

Congratulations to our students and their teacher, Petro Romanovych Startsun, on the successful performance at the Ukrainian Sports Games among the colleges and technical schools students of blitz and rapid chess, held on June 12-15 in Lviv. The team of Khmelnytskyi region included students of KhPC by LPNU Horai Vadym (gr. PM-172), Bahmet Oleksii (gr. KI-172) Bahrii Nastia (gr. PR-151) and Kapitan Nastia (gr. KI-172). Khmelnytskyi took the 5th place with rapid and blitz chess and the 6th total team place, typing 100 points. The most successful was the performance of the student Horai Vadym (gr. PM-172), who has won 3rd places in both types.

Another nice news came from the Rugby Federation of Khmelnytskyi region.

The team of Khmelnytskyi region - «Podillya», whose player is the student Ivan Kapustiak (gr. KI-182) is reported to have won the 3rd place in the 1st round of the Ukrainian Championship among men's teams of the Rugby-7 Major League which took place on June 15.

## Feast of the strong

The Day of the Armed Forces of Ukraine is dedicated to the strong, courageous, reliable, which our today's soldiers are and which our students seek to become. And for this, they every day tirelessly work on themselves a lot and train hard. The best of the best were entrusted to defend the honor of their Departments at the festival «Cossacks' fun», traditionally held in Khmelnytskyi Polytechnic College of Lviv Polytechnic National University.

And today, on the Day of the Armed forces of Ukraine, the action sounded loudly and cheerfully, which glorifies the glorious traditions of ancestors, the great valor of the Cossacks, participants of modern wars and our parents, grandfathers and great-grandfathers who forged the victory over Nazism during the Second World War.

The celebration was attended by distinguished guests – our graduates who now serve in the armed forces – Stanislav Kupis, Vadym Belashchenko, Andrii Hlushik, Viacheslav Fomin and Vitalii Maryniak. Loud applause from the audience welcomed participants of the ATO also – our student Ivan Lukasysheh and officer Viktor Korol.

And, of course, special words of congratulations were addressed to the man who devoted all his life to the armed forces – the guard major, the teacher of the discipline «National defense» Viktor Leonidovych Kushnir.

## II Cup «Fitness Game KhPC – 2019»

## How to protect our life. An algorithm of actions in dangerous situations

Conservancy of our students' health and life, prevention of all types of injuries, harmful habits and legal protection is one of the priority directions of educational work at Khmelnytskyi Polytechnic College by Lviv Polytechnic National University. For this purpose on November 21, all academic groups held educational lessons in the thematic format «How to protect your life. An algorithm of actions in dangerous situations». Teacher of law, the head of the legal club «Themis» Tetiana Oleksiivna Matiiash, conducted the educational lesson.

The first of five algorithms of behavior in dangerous situations is a practical advice that can protect our property from robbery.

The second of five algorithms of behavior in dangerous situations –it's a practical advice that can protect our property from theft.

The third of five algorithms of behavior in dangerous situations is a practical advice that can protect our property from fraudsters.

The fourth of five algorithms of behavior in hazardous situations it's a practical tip that can protect you and passengers in a car from the road accident, as well as the sequence of actions in the case of accident.

The fifth algorithm of behavior in hazardous situations is practical advice that can help victims of domestic violence to protect their rights and break the cycle of domestic violence.

## The Holiday that inspires us toward love and good deeds – St. Nicholas Day

St. Nicholas Day inspires us towards love and good deeds and mercy, gives faith in realization of our most cherished desires! For orphan children studying at Polytechnic College, such a small miracle was organized by the director Vadym Ovcharuk.

Together with Student Trade Union Committee, the head of the Student Council of the college Nazarii Savchuk, the director congratulated them on a wonderful holiday and handed sweet gifts, and our graduate, well-known Khmelnytsky businessman and public figure Viktor Kolishchak presented them free tickets to the ice rink.

## «Vyshyvanka» Holiday at our Polytechnic College

Today, in the national revival time, the Ukrainians understand that «vyshyvanka» is a spiritual symbol of the native land, our talisman. Today «vyshyvanka» has entered the daily wardrobe of Ukrainians, and on the third Thursday of May, the streets of our cities become truly festive due to the large number of people wearing the picturesque «vyshyvanka» clothes.

The audience of Khmelnytskyi Polytechnic College by Lviv Polytechnic National University, is also flourishing, as the vast majority of students join the holiday. Every year on the day of vyshyvanka a great performance takes place. Twice polytechnics arranged flash mobs that were listed in the Book of Records of Ukraine. In 2019, the main focus is the celebration of the best college students. And we have a lot to be proud of!!! The educational and creative achievements of our students are so high that Khmelnytskyi Polytechnic College by Lviv Polytechnic National University in 2019 was again awarded the diploma of the Department of Education and Science of the RSA for the first place in the regional stage of the Olympiads of general subjects among the students of higher education institutions, which train junior specialists. The young polytechnical students who contributed to the general victory were awarded the certificates of the Department of Education and Science of the Regional State Administration for the achievements in the regional Olympiads

and certificates of the Board of Directors for the victory at the regional level. In addition, the administration of the College noted the most active students in public life and awarded the winners of the first cyber tournament.

## Charity fair – 2018

Traditionally in October, students, parents and teachers conduct annual charity fairs, the collected money from which is used for the purchase of presents to the babies from orphanages and pupils of the Khmelnytskyi regional department of the charity organization «All-Ukrainian Network of People Living with HIV / AIDS». The whole large polytechnic family joined the action. Each department prepared not only sweetesses but also humorous presentation. Bright colours to the action were added by the participants of creative studios of Center of talented young people.

## Charity action «The students of Khmelnytskyi Polytechnic College for children - with goodness in heart»!

When the city lights up the Christmas lights and prepares to the New Year, our students do one of the most important things of the year - they conduct a charity action «The students of Khmelnytskyi Polytechnic College for children - with goodness in heart»!

In the morning of December, 12 Deputy Director Liudmyla Mykolaivna Bahas, the chairman of the Student Trade Union Natalia Mykolaivna Roik and volunteers went to Vovkovyntsi boarding school with good mood and gifts. Director of the college Vadym Volodymyrovych Ovcharuk joined the student action. He made a generous gift and thanked the volunteers for the kindness, sensitivity and humanity that most manifest itself during such actions.

Students brought books, toys, clothes and shoes from home. All this together with a selection of friendly humor, games and songs presented to boarding school pupils.

## Your country: unforgettable trips of polytechnical students

Travelling with friends - what can be more exciting and inspiring for new accomplishments, search for creative solutions and business initiatives? Students of Khmelnytskyi Polytechnic College by Lviv Polytechnic National University use every new opportunity to see what they have never seen before, learn from what they have never learned, and can do what they have never done.

Travelling, they expand their horizons. Getting acquainted with interesting people gives them new experience and inspiration for their own development and growth. They know exactly what they need and see the opportunity where others do not notice it. Moreover, while travelling with groupmates and curators Marina Mykoliuk and Tatiana Matiiash, they build a friendly relationship that will unite them for life. «Journey is the only thing that you buy, you become richer,» said an unknown wise man, and our students-programmers, along

with curator Oleg Mykoliuk, confirm that travelling makes them even more creative and talented.
